

## Bureau of Land Management, Interior

## §3137.64

### UNIT AGREEMENT OPERATING REQUIREMENTS

#### **§3137.60 As the unit operator, what are my obligations?**

As the unit operator—

(a) You must comply with the terms and conditions of the unit agreement, Federal laws and regulations, lease terms and stipulations, and BLM notices and orders;

(b) You must provide to BLM evidence of acceptable bonding. Acceptable bonding means a bond in an amount which is no less than the sum of the individual Federal bonding requirements for each of the NPR-A leases committed to the unit. You may also meet this requirement if you add the unit operator as a principal to lease bonds to reach the required amount; and

(c) The bond must be payable to the Secretary of the Interior.

#### **§3137.61 How do I change unit operators?**

(a) To change unit operators, the new unit operator must submit to BLM—

(1) Statements that—

(i) It accepts unit obligations; and

(ii) The percentage of required interest owners consented to a change of unit operator; and

(2) Evidence of acceptable bonding (see §3137.60(b) of this subpart).

(b) The effective date of the change in unit operator is the date BLM approves the new unit operator.

#### **§3137.62 What are my liabilities as a former unit operator?**

You are responsible for all duties and obligations of the unit agreement that accrued while you were unit operator up to the date BLM approves a new unit operator.

#### **§3137.63 What are my liabilities after BLM approves me as the new unit operator?**

(a) After BLM approves the change in unit operator, you, as the new unit operator, assume full liability, jointly and severally with the record title and operating rights owners, except as otherwise provided in paragraph (c) of this section and to the extent permitted by law, for—

(1) Compliance with the terms and conditions of the unit agreement, Federal laws and regulations, lease terms and stipulations, and BLM notices and orders;

(2) Plugging unplugged wells and reclaiming unreclaimed facilities that were installed or used before the effective date of the change in unit operator (this liability is joint and several with the former unit operator); and

(3) Those liabilities accruing during the time you are unit operator.

(b) Your liability includes, but is not limited to—

(1) Rental and royalty payments;

(2) Protecting the unit from loss due to drainage as provided in §3137.64 of this subpart;

(3) Well plugging and abandonment;

(4) Surface reclamation;

(5) All environmental remediation or restoration required by law, regulations, lease terms, or conditions of approval; and

(6) Other requirements related to unit operations.

(c) Your liability for royalty and other payments on the unit is limited by section 102(a) of the Federal Oil and Gas Royalty Management Act of 1982, as amended (30 U.S.C. 1712(a)).

#### **§3137.64 As a unit operator, what must I do to prevent or compensate for drainage?**

You must prevent uncompensated drainage of oil and gas from unit land by wells on land not subject to the unit agreement. Permissible means of satisfying the obligation include—

(a) Drilling a protective well if it is economically feasible. For this subpart, *economically feasible* means producing a sufficient quantity of oil or gas from a protective well in the unit for a reasonable profit above the cost of drilling, completing and operating the protective well;

(b) Paying compensatory royalty;

(c) Forming other agreements, or modifying existing agreements, that allow the tracts committed to the unit agreement to share in production after the effective date of the new or modified agreement; or

(d) BLM may require additional measures to prevent uncompensated drainage.
